

On February 23<sup>rd</sup>, 2004, Michael S. DeLarco was involved in a tragic train accident that took his very young life. He was only 10 years old and is deeply missed by all. In his memory we established the Michael S. DeLarco Foundation to help others as he so often did.

On August 3<sup>rd</sup>, we will be honoring him at The Annual Michael Salvatore DeLarco Golf Outing, which will be held at the Schaumburg Golf Club for family and friends to remember Michael and what he meant to all of us.
