

On February 23rd, 2004, Michael S. DeLarco was involved in a tragic train accident that took his very young life at just 10 years old. He is deeply missed by all who knew him. In his memory, the Michael S. DeLarco Foundation was established to raise awareness of rail safety and to help others in need within our community, focusing on children who have various illnesses. On Wednesday August 5th, we will be honoring him at the Annual Michael S. DeLarco Golf Outing which will be held at the Schaumburg Golf Club. It will be a day for all to remember Michael and to support the goals of our mission.
